The Largest Conference on 4D in Japan

 **4DFF**
Conference on 4D and Functional Fabrication 2024

4DFF2024

- New Paradigm over 3D Technology -

CALL for Participant

Conference on 4D and Functional Fabrication 2024

The conference 4DFF2024 will be held to present the results of "Research and development aimed at creating new value that goes beyond conventional 3D modeling and reproduction technologies" as follows. This year's conference will be held at the **Science & Innovation Center** of Mitsubishi Chemical Corporation. Online (Zoom) participation is also available. (A society party for presenters and participants will be held at the venue.)

Outline of 4DFF2024

Organizer : SIG-4DFF (Imaging Society of Japan)

Supporter : Soft 3D Co Creation Consortium
Keio University Institute at SFC

Co-Creative Consortium toward Digital-Driven Leaped Circular Society

Main Venue

Science & Innovation Center of Mitsubishi Chemical Corp.

Showcase Venue

©Nacasa&Partners

Date & Time : **October 23 (Wed.) 13:30 ~ October 25 (Fri.) 18:30**

* Time will be determined after the program is finalized.

Venue : **Mitsubishi Chemical Corp. Science & Innovation Center**

Kamoshida-cho, Aoba-ku, Yokohama TEL 045-963-3011

Official Site : <https://sig4dff.org/conference/2024/>

Participation Fee : **Member : 5,000JPY** (ISJ Member, Supporter Member)

Non-Member : 8,250JPN (including 750JPY consumption tax)

Univ. Student : 2,000JPN, High School Student and Below : Free

After registration, a bank transfer request form will be sent to you, so please pay by bank transfer by the due date.

Keynote : **Wang Zhongkui (Associate Professor, Ritsumeikan University)**
"Soft Robotics using 3D/4D Printing"

Invited Speech : Fuji Film Co., Ltd. "Expanding the expressive capabilities through FUJIFILM's imaging technology"
Kyusyu University "Development of bio-mimetic smart materials"

Presentation : **50 presentations from 21 universities, research institutes, and companies**

Lab. Tour : **3D Printing Corporation K.K. (Oct. 22 PM)**
Mitsubishi Chemical Corp. Science & Innovation Center (Oct. 23 AM)

Society Party : **Oct. 24 Evening at Venue** (Adult : 2,000JPN, Univ. Student : 1,000JPN)

Registration

Please apply by filling in the required information from below site.

Registration Site

<https://questant.jp/q/4DFF2024>

Deadline

October 16 (Wed.) 17:00

Registration will not be accepted after the registration deadline.

- If you wish to cancel a conference or lab. tour after registration, please contact us in advance at the following address.
