4DFF

Conference on 4D and Functional Fabrication 2025

Call for Participants

- New Paradigm over 3D Technology -

# Call for Participants

Conference on 4D and Functional Fabrication 2025

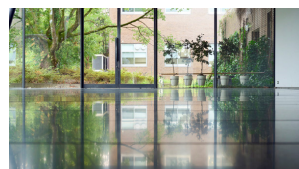

The conference 4DFF2025 will be held to present the results of "Research and development aimed at creating new value that goes beyond conventional 3D modeling and reproduction technologies" as follows. This year's conference will be held at the **Kyoto Institute of Technology 60th Anniversary Hall**. Online (Zoom) participation is also available. (A society party for presenters and participants will be held at the venue.)

## Outline of 4DFF2025

**Organizer** : SIG-4DFF (Imaging Society of Japan)  
**Co-Organizer** : KYOTO Design Lab, Kyoto Institute of Technology  
**Supporter** : Soft 3D Co Creation Consortium  
Keio University Institute at SFC  
Co-Creative Consortium toward Digital-Driven Leaped Circular Society  
**Date & Time** : **October 23 (Thu.) - October 24 (Fri.)**  
Time will be determined after the program is finalized.  
**Official Site** : <https://sig4dff.org/conference/2025/>  
**Venue** : **Kyoto Institute of Technology 60th Anniversary Hall**  
Matsugasaki Hashigami-cho, Sakyo-ku, Kyoto, Japan

Kyoto Institute of Technology

60th Anniversary Hall

**Participation Fee** : **Member : 5,000JPY** (ISJ Member, Supporter Member)  
**Non-Member : 8,250JPN** (including 750JPY consumption tax)  
**Univ. Student : 2,000JPN, High School Student and Below : Free**  
After registration, a bank transfer request form will be sent to you, so please pay by bank transfer by the due date.

**Keynote** : **Hiroya Tanaka (Professor, Keio University)** :  
"Current Status and Future Prospects of 3D/4D Utilization  
at Expo 2025 Osaka/Kansai"

**Invited Speech** : **Hiroshi Mitachi (Founder, SHINKOGEISYA)**  
"The Idea of ShinKogei"

**Presentation** : **55** presentations from 21 universities, research institutes, and companies

**Lab. Tour** : **S.lab** (Oct. 22 AM), **KYOTO Design Lab** (Oct. 22 PM)

**Society Party** : **Oct. 23 Evening at Venue** (Adult : 2,000JPN, Univ. Student : 1,000JPN)

### Registration

Please apply by filling in the required information from below site.

Registration Site

<https://questant.jp/q/4DFF2025>

Deadline

**October 15 (Wed.) 17:00**

Registration will not be accepted after the registration deadline.

- If you wish to cancel a conference or Lab. tour after registration, please contact us in advance at the following address.
- If you are planning to present or participate in 4DFF2025, the committee recommend that you book your accommodations as early as possible!
